**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Good day,

I support competition for broadband.

Personal computer usage is part of daily life and competition helps to drive development and also keeps consumer pricing lower.

I have family living in a rural community who's only option is through the local broadband provider.

Please don't take these options away.
